ABOUT US.

At ALH recruitment, we are on mission to provide the most reliable labour hire and recruitment solutions that empower individuals and businesses to succeed.

ALH was first established in 2016 by Gisborne born, Israel Whitley with a purpose to connect hardworking people with opportunity. Today, you can find ten branches across Aotearoa, including, Auckland, Hamilton, Tauranga, Rotorua, Hawkes Bay, Palmerston North, Wellington, Nelson, Christchurch and Dunedin.

ALH places candidates in a wide range of industries, including construction, warehousing, civil engineering, rail, quantity surveying, project management and more. We are leading nationwide in placing temporary and permanent positions with qualified, skilled and entry-level people.

When working with ALH, you can expect our core values, Integrity, Ambition, Adaptability, and Reliability to be reflected in everything we aim to do.

RECRUITMENT.

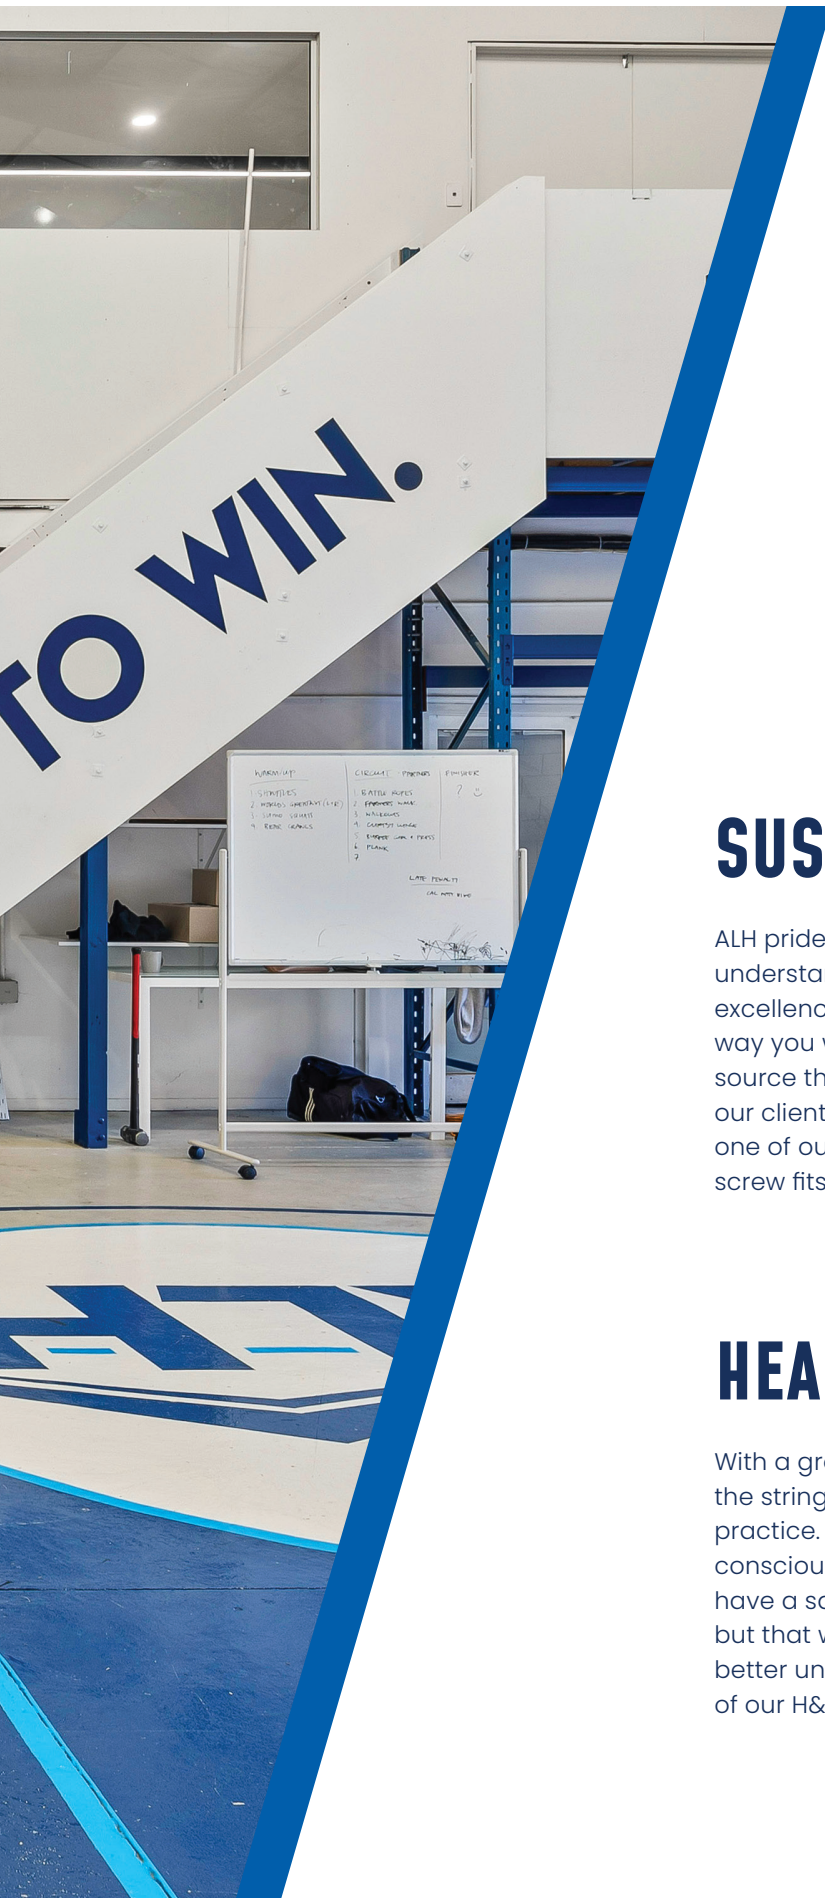

Our recruitment process is designed to provide you with the quality and professionalism you demand, whatever needs be. With the rigorous vetting process every employee undergoes, we can ensure the people we contract to your business are the same people you want back the next day. ALH's hardworking, trustworthy and reliable employees are subject to work history reference checks, drug testing, site safe courses, intrinsic health and safety inductions and MOJ checks. This level of screening ensures the quality of people we provide is beyond expectations and fulfills our guarantee of exceptional labour supply.

SUSTAINABLE LABOUR.

ALH prides itself on satisfying client convenience, understanding the urgency of supply and the need for excellence on site. Finding a labour supply that performs the way you want day in and day out can be hard. Our ability to source the right supply for your site is important, not only for our clients, but our employees as well. Client convenience is one of our biggest priorities at ALH and making sure the right screw fits is what makes us different from the rest.

HEALTH & SAFETY.

With a growing team comes a bigger focus on maintaining the stringent Health and Safety protocol we instill in our practice. Ensuring our employees follow a health and safety conscious work practice is vital to ensuring they not only have a safe work environment and return home every night, but that we also provide a safe service to our clients. For a better understanding, contact us today to get an explanation of our H&S practices.

OUR SERVICES.

General Labourers

A business' most important asset. The movement behind any project and a resource no site manager can afford to risk quality with. Reliability, competency and determination to get the job done are qualities that are guaranteed to keep a project running efficiently.

Forklift Operators

MOJ checked, drug free, competent and reliable currently licensed drivers are the only people we work with. Maintaining a stringent work ethic which motivates our operators to ensure a quality and safe performance is delivered is vital to our practice.

Class 2- 5 Drivers

Drivers – providing you with drivers drug free and currently licensed is an utmost priority. MOJ checked. Given we are ensuring our trusted contractors can handle your vehicles and goods, we want to make sure we supply you with the right personnel.

Skilled Trades

Want a few chippies or a new apprentice? We can source you the next thoroughbred in your building team. No matter what experience or skill you need, you can count on us to find the right person.

Permanent Placement

An important aspect to hit the ground running with any project, we also offer skilled recruitment and permanent placement services. Whether you need a contractor for onsite management for your project, or need an administrative staff member to help keep your office running smoothly, we have a dedicated skilled recruitment consultant who can tailor the perfect person for your needs. These positions are not limited to the construction industry, so please do not hesitate to contact us and we'll be sure to help find you a solution.

Machine Operators

Excavator, roller, grader, bulldozer licensees and more are available for hourly hire. Rate for licensees vary, contact us to find out more.

Skilled Staff

Tools, experience and certifications can be guaranteed. Giving adequate time can allow us to tailor a team or individual to suit your needs.
